About College

Goodwill Christian College for Women started in the year 1999. It is a minority institution which belongs to Karnataka Central Diocese of the Church of South India. The institution is affiliated to the Bengaluru North University and is accredited by NAAC.

The college has continuously catered to the educational needs of women providing quality education and facilitating the holistic development of the students. It has well planned infrastructure, competent faculty and amenities to encourage curricular, co-curricular and extra curricular activities.

Courses Offered

BA
B.Sc
B.Com
BBA
BCA

Department of Arts

The Arts Department works towards inculcating holistic education by promoting language skills and perspective thinking through literature which will enable them to be sensitive to various aspects of life as they meet the challenges of global and rapid modernization. The department also aims on building scholastic achievements, developing cognitive flexibility, and practicing social tolerance. Value added certificate courses are offered to increase the employability of students.

Department of Science

The Department of Science works to develop budding students towards mastering science and technology. It aspires to create new horizons in the field of scientific research. The department encapsulates to develop the skill of the student community in order to meet the challenges posed by industry and to face the realities of the work force.

Department of Commerce

The Department of Commerce endeavors to practical oriented business decisions there by leading to conversion of knowledge into wealth through innovative methods. It inculcates current affairs with business based knowledge. It also implements practical learning through project work and internship training, shaping students towards the right career.

The department plays an important role in developing the entrepreneurial skills by organizing seminars and workshops by experts.

Department of Business Management

The Department of Business administration seeks to imbibe a constructive role in uniting global trade and economy. Students are trained and transformed as entrepreneurs and socially responsible managers and leaders. The Department also bridges academic learning with optimal utilization of resources.

Department of Computer Application

The primary objective of the department of computer application is to train young students on the growing needs of various disciplines of Information Technology, with adequate technical and management skills to handle computer applications, software problems, solving situations and develop analytical skills. It also enables the students to be knowledgeable and applicable to implement through innovative methods.

Cultural Events

Cultural activities have several practical implications. By participating in such activities, the students become more passionate and confident. These activities also foster team spirit and a sense of responsibility in the students. They also help in the development of social skills.

Placement Cell

The Placement Cell provides complete support to the visiting companies at every stage of the placement process. Arrangements for Pre-Placement Talks, Written Tests, Interviews and Group Discussions are made as per the requirements of the visiting companies. Students are also given career guidance based on subjects they learn.

Placement drive was initiated by many companies to our students. Many of our students have been placed in reputed

companies both on campus and off campus.

Field Trips & Industrial visits

Practical acquaintance edifies effective teaching learning outcomes. To facilitate this experience, the students are regularly taken on industrial visits & field trips. In the recent years students were taken to industries, research centres, libraries, theatres, botanical trips and NGOs for applied learning.

Seminar & Workshops

Seminars, Guest Lectures and workshops are conducted by all the departments to enable students to stay up to date on current events, comprehend concepts, build their network and equip them with new-age technologies. They also aid in developing communication skills and gaining expert knowledge in addition to renewing motivation and confidence leading to higher productivity and fulfilment of professional and academic goals.

Sports, NSS & Civil Defence

Sports help us develop discipline, dedication, and commitment. To encourage the students to take active part in sports and develop the spirit of sportsmanship the college conducts the Annual Athletic Meet.

To inculcate social welfare in students, and to provide service to society without bias, the NSS & Civil Defence Wing of the college functions in full swing throughout the year. The Unite has also won prestigious awards.

Library

The College Library provides a supportive and inclusive learning environment. In addition to books, it provides access to other valuable resources such as journals, reference guides, and educational resources etc. that encourage and promote the process of reading, learning and grasping knowledge. By learning to use the library well, students will be able to create successful projects and complete their coursework with greater effectiveness.
